**Statement of Responsibility/Release Waiver Form:** I agree to follow the rules & policies of this Peaceful & Recreational Basketball league (rules found at [www.portlandbasketball.com](http://www.portlandbasketball.com)). I understand the risk of injury and release any all right to claim damages. I realize that yelling, confrontations and any sort of anger are strictly prohibited. If any sort of conflict arises I will not confront the situation, but rather, I will remove myself from the situation immediately, even if that means leaving the game with an unresolved issue (you can call the league to discuss issue but you cannot resolve the issue at the site). Players should avoid dangerous plays to opponent even if the play might be legal (such as a blind screen... or an elbow to the opponent on a 'legal' turn of the body. We need to care about players' health because this is a recreational adult league designed for exercise & fun, not for winning anything with significance. Flagrant-1 fouls are a focus of the refs (flagrant 1 fouls are- dangerous fouls or intentional fouls). Flagrant2 fouls (fouls that are BOTH dangerous + intentional) ultimately should never occur; flagrant 2 fouls will be penalized with ejection & probable suspension because in an adult recreational league, flagrant 2 fouls are not considered acceptable (like they would be in college or NBA). I agree (signature below) that even with 1 referee- I can & I will follow rules, act with sportsmanship & work to keep players safe.
